Chastain Park Swimming Pool Lease Agreement

This Lease Agreement (hereinafter the "Agreement") is made and entered into this day of _____, 2005, by and between the City of Atlanta, a municipal corporation of the State of Georgia (hereinafter the "City") and North Atlanta Swim Association, Inc., a Georgia 501(c)(3) Corporation (hereinafter the "Association")(hereinafter, the City and the Association may be referred to collectively as the "Parties" or singularly as the "Party").

Preamble

The Association and City entered a lease agreement on July 3, 2002 (hereinafter the "2002 Lease") to set forth the terms of their public-private partnership for the staffing and operating of the Chastain Park Pool and grounds (hereinafter the "Pool"). The Pool is owned by the City and is a public recreational facility. It is bordered by Pool Road, West Wieuca Road and the Galloway School property line. The Pool does not include the upper level of the Chastain Park Pool Concession Building, which is leased to The Galloway Schools, Inc., nor the portion of the lower level of the Chastain Park Pool Concession Building currently leased to The Galloway Schools, Inc. and currently used as storage facilities by The Galloway School, Inc.

The term of the 2002 Lease was two and one-half (2 ½) years, and was renewable every two years thereafter upon mutual agreement of the Parties. The 2002 Lease provided that the Association shall assist the City in the management and operation of the Pool by providing and paying for such things as management services and lifeguards, while honoring City requirements such as free swim periods, and access for the Camp Best Friends program. In 2004, the City created a new standard lease for associations that manage and operate neighborhood or regional City-owned pools. All prior pool leases are being revised to be consistent with the standard lease at the time of renewal. Therefore, the 2002 lease is being replaced with this Agreement so that it is consistent with the new, standard lease.

By this Agreement, the Association seeks to assist the City in the management and operation of the Pool by providing and paying for management services, lifeguards, expanded Pool hours and by organizing volunteers and community groups to preserve and improve the Pool. This shall free City resources, staff, and funds for other Parks and Recreation Department activities.

In its management and operation of the Pool, the Association shall honor all existing requirements of the City including, but not limited to: free swim periods, access for the Camp Best Friends Summer Program, current and extended hours of operation, and other guidelines required by the City. The Association shall have the authority to enter into a management

contract with a licensed, insured and experienced pool management company to oversee the day-to-day operation of the Pool, including maintaining water quality and providing certified lifeguards at staffing levels required by the City. The Association shall be solely responsible for paying for the management company out of Pool membership dues, daily fees, and other sources as set forth in this Agreement.

WITNESSETH:

WHEREAS, the City has previously leased the Pool to the Association in the 2002 Lease; and

WHEREAS, the 2002 Lease expired on January 2, 2005, and was renewable for an additional two year term; and

WHEREAS, the 2002 Lease has been successful and beneficial to the City and to the Chastain Park community; and

WHEREAS, the City is modifying all pool leases at the time of their renewal so that the new leases are consistent with a new standard lease; and

WHEREAS, this Agreement was authorized by Resolution 05-R-____, adopted by the Atlanta City Council on _____, 2005, and approved by the Mayor on _____, 2005, and a copy of said Resolution is attached hereto marked Exhibit "A".

A. Association Responsibilities

1. Lease, Management and Operations. In the event there are excess funds that are not required for the operation of the Pool, Association shall use such excess funds for capital improvements to the Pool (which shall be subject to City's approval), Pool maintenance costs, or for the establishment of a sufficient Pool reserve fund.
 - (B) In the event that Association determines that such excess funds are not required for Pool operations, capital improvements or maintenance, said funds may be used by Association for Pool-related functions and/or programs beneficial to the North Atlanta community as deemed appropriate by the Association and as approved by the City, the latter of which shall not be unreasonably withheld.
